

Court of Chevaliers
Financial Assistance Request Form

The Colorado Court of Chevaliers has established a financial assistance fund to allow members who are unable to afford the full cost of DeMolay events. This form should be completed by the Chapter Dad or Chapter Chairmen and submitted to the Court of Chevaliers Financial Assistance Committee (Present Chair: Dad Bernie Lehman 4dj.modifyd@gmail.com). This form should be submitted in advance of the event funds are requested for. All information presented will be kept confidential, and only shared with the Committee Members to make a determination of support approval. The Chapter Dad/Chairman submitting request will be notified by the Committee of the decision and level of support available. After the event, the Court requires a note from the member supported telling us what he gained by being able to attend the event. If a letter is not submitted after the event, the member will no longer be eligible for future support from the financial assistance fund.
