Proclamation and Declaration of Principles of Representatives of Masonic Organizations in Support of The Order of Da Molay

We, the undersigned, representatives of the Masonic organizations set against our common foe, having voluntarily responded to the call of the Grand Master of the Order of Da Molay, the our respective organizations give Da Molay most vigorous support in its plans to enlarge and expand the influence and well-being of this great youth organization, hereby make the following proclamation and declaration of principles:

1. We are profoundly impressed with the progress made by the Order of Da Molay since it was founded on March 18, 1979 by the late General Frank A. Law, in its noble endeavor to reach and enter young men to be devoted sons and God-fearing, intelligent, patriotic, and industrious citizens of the Countries in which they live.
2. We appreciate the fact that the chapters of the Order of Da Molay are required to be organized and conducted under the sponsorship of some type of Masonic organization, which gives Da Molays an opportunity to get acquainted with the Masonic fraternity, its aims and principles, and that in consequence the members of the Masonic groups have the pleasure of close fellowship with and rendering service to the Da Molay members. We recognize that this arrangement creates an ideal relationship which should be productive and of great benefit to all parties concerned.
3. We therefore believe that the fraternal assistance extended to Freemasonry by the Grand Master of the Order of Da Molay, in view of the support of the movement to enlarge and expand the worthy organization should be continued, and to that end, we pledge to the International Supreme Council of the Order of Da Molay, and its Grand Master, our individual support and, insofar as we may have authority to do so, the support - moral and financial - of the Masonic organizations which we have represented, with no prejudice or doubt as to our own individual assistance Da Molay's policy.
4. We agree in being in unison in the intention of our groups and to recommend that they take favorable and appropriate action thereon.

We further solemnly urge others to join us in furthering the progress and success of the Order of Da Molay.

It is our belief that our action in doing so will also strengthen the forces which sustain Right, Justice and Freedom in the world.

What Relay Means...

I walked to the track not sure what to expect.
I left the track with a deep, sincere respect.
I watched so many walk lap after lap,
Some stopped for while to grab a quick nap.

Most were lost in memories and thoughts of someone dear,
Thinking of the loved ones pain and fear.

For me as I walked I thought of my hero, my Mother,
But as I walked a little more, I thought of so many others.
I thought of the friends I met as part of this event,
I thought of others who were in Heaven as God sent.

I thought of the love and dedication of the committee of Relay,
How their actions speak so much louder than words could say.

This disease called cancer is hated by so many,
A cure will be found with each and every penny.
Our path was lit by those who are fighting and those who fought,
In each Luminaria, was someone loved and something special taught.

So what does Relay for Life now mean to me?
It means the fight must go on until everyone is free.

It means that survivors, caregivers and believers like us all,
Can walk around a track standing proud and tall.
We look cancer in the eye and say without fear,
A cure to end you is so very, very near.

Do you have your Representative DeMolay Award?

The Representative DeMolay Award is the highest self-achievement award Active and Senior DeMolays can earn. It's a self-assessment program where you progress toward goals you set for yourself. You complete a detailed survey of your interests, achievements, general knowledge and habits.

"Dad" Land said it was his dream that every DeMolay should be a Representative DeMolay. The Representative DeMolay program was first established in 1924, and for many years was a competition to select outstanding DeMolays. In 1935, the program was redesigned to fill a growing need for self-evaluation by every DeMolay.

State Line Installation 2012

State Master Councilor - Zach Bush

Dear Colorado DeMolay,

I am honored to have served this organization on the state line for four years. I had a blast being your State Master Councilor and helping you this past year. Reaching our third year of positive growth was a huge highlight, as well as the establishment of Revere Chapter. As long as we keep the passion alive in DeMolay, we can flourish as we reach new heights!

To tell you a little about myself, I am a music education and performance major at Colorado State University and just completed my sophomore year. I am originally from Columbine Chapter in Grand Junction and joined the state line as State Junior Councilor in 2009. This past year, I was fortunate enough to be elected State Master Councilor and had the privilege of representing Colorado DeMolay and connecting with brothers from across the state.

DeMolay is a brotherhood. The individuals make the organization; so by continuing the passion, you can help Colorado DeMolay reach new heights!

Deputy State Master Councilor - Tally Bennett

Deputy State Master Councilor 2012- 2013

This year, Colorado DeMolay has continued to grow; and it has been my pleasure to serve on the State-line this year. For the third year in a row, our State has reached positive growth in membership. This is a monument that, we can continue to achieve every year to come.

I am extremely excited for the year to come, and it is my privilege and honor that I will be serving as your State Master Councilor for that year. This next year, it is my hope that Colorado DeMolay will once again achieve positive growth. The State Chapter will continue to help the chapters and support them.

Now let us continue to show the world that DeMolay is the best youth group out there!

Sincerely,

Taliesen (Tally) Bennett

State Senior Councilor - Tim Zumalt

To My Colorado DeMolay Brothers,

Over the last year I have had the esteemed pleasure to serve as your State Senior Councilor. Working with the other young men on our state line this year has been a wonderful experience, and I'm excited to have the opportunity to continue my DeMolay journey with you over the next year.

Along with working as your State Senior Councilor this year, I also began my college career. While this has been a demanding and challenging experience, you, the young men across this amazing state, have made it worth every moment.

So with another successful year behind us we can only look forward to the many still to come.

Tim Z.

Tim Zumalt

State Junior Councilor - Tanner Thompson

Colorado DeMolay,

I have had so much fun being your State Junior Councilor this past year and I wish that I could continue the path I have been on and become your State Master Councilor in two years. However, I have decided to move on to another chapter in my life. Looking back on all the memories I have, I cannot help but think back to my first few years and think about how much I have changed which in turn makes me wonder what many of you will accomplish with your time in DeMolay. Don't regret the past but look forward to the future. I will miss you all.

To Zach, Tally, Tim, Jeremy & Lilly,

It was a blast being on State line with you five. Zach, you did a great job being State Master Councilor and I wish it didn't go by so fast. Tally, congratulations again. You will be a fantastic State Master Councilor who will do great things this year and I wish I could be a part of it. With Tim following closely behind you, you two will be the creators of some amazing new ideas and I wish you the best of luck.

To my HP boys,

It has been a blast with all of you these past years and I will miss you all the most. Whether you are fairly new or you have been around for a while, you all mean so much to me and I will not forget any of you. You are my home chapter and you all hold a special spot in my heart. To the advisors, you are all so supportive and knowledgeable. You all give great advice and always push us in the right direction. We could not get through a meeting without you. Keep being the phenomenal adults that you all are. Thank you all so much.

Fraternally yours,

Tanner Thompson

2012-2013

State Scribe - Jeremy Aggerbeck

To My Brothers, Advisors and Friends of Colorado DeMolay

First let me say what a true honor it has been to be able to serve on the Colorado DeMolay State Line as State Scribe. To be able to assist my brothers in the Colorado Chapters has been and will always be one of my greatest pleasures. Admittedly I was not able to accomplish all the goals I had set for myself going into my year as State Scribe but I believe and I hope you can all agree with me that every boy in Colorado DeMolay always knew that they were important to me and the welfare of our order was always a priority. The year started off rough for me with the severe illness of my older sister which affected my family greatly but it was through the love and support of the Masonic organizations and in particular Colorado DeMolay that I saw true devotion and the true meaning of family. Whether by blood or brotherhood. I along with my family firmly believe that it was this love and support that assisted my sister in her healing and recovery and we are all incredibly thankful to each and every one of you.

I have been a member of DeMolay for almost 8 years and I have made some amazing friendships. I can honestly say that some of my best friends are my brothers in DeMolay and I will always be thankful for each and every one of them. I have also been given the opportunity to develop some amazing relationships with adults that have become like 2nd parents to me. I know that that these relationships will remain with me always. Even if I don't see these people often I know that no matter where I go in life I will carry these friendships with me and I know that no matter what happens they will always be there for me. I hope they know the same about me. The lessons I have learned in DeMolay has also played a big part in my life and has helped mold me into the person I am today. Not only have I learned the true value of family, friendship and brotherhood but also the true meaning of love of God, love of country and a true respect for everything life has to offer. I know DeMolay will continue to play a major role in my life. Even if I am not always active with a chapter I will always carry the lessons learned in the teachings of DeMolay and I will always be proud to say I am a DeMolay.

As we go into a new year I would like to wish Tally and the entire state the best of luck. Tally I know you are going to make an amazing State Master Councilor and if there is ever ANYTHING you need or anything I can do to help I am only a phone call away. Even though I won't be part of the state line this year I will still be active with the new Revere Chapter and will continue to support Colorado DeMolay. I know that with commitment and hard work we can all help our individual chapters and in turn Colorado DeMolay grow and thrive. I am here for my brothers anytime. Always remember the obligation we all took on our first day as a DeMolay. Put it as a forefront in your life and live it every day. Let's make the 2013-2014 year the best one yet for Colorado DeMolay.

With Love and Brotherhood,
Jeremy Aggerbeck

Colorado's Executive Officer Dad Gary Mueller

Hello Colorado DeMolay,

With another year in the books, Colorado DeMolay continues to shine!

POSITIVE GROWTH ATTAINED! We're on a roll now tying back to back years achieving Positive Growth! Let's be sure to hit our membership growth in 2013 and BEYOND!

The establishment of our New State Priory has allowed Colorado DeMolay the opportunity to create a three tiered approach to our organization. Squire Manors, DeMolay Chapters, and our Priory reach out to young men in a variety of ages and will accommodate many young men needs.

None of the success we entertain can be done without the tireless dedication of our Adult Advisors. While at Conclave 2013 and at every opportunity, take the time to extend your appreciation to every Advisor you encounter. A special thank you to Mom and Dad Reiter for without whom, Colorado DeMolay would not be the leader in Region VII.

Colorado DeMolay endeavors to "Build the Leaders of Tomorrow" and in Colorado, we not only talk about that goal but we live by it. Best wishes for a successful Conclave 2013 and for every aspiration you may have! Always know that you have the support of Colorado DeMolay!

For God, For Country, For DeMolay!

Dad Mueller

A message from PSMC James Reiter

Sponsored by Golden Chapter

Hello Colorado DeMolay

It was an honor to serve as your State Master Councilor 2007-2008. As a DeMolay I was able to do exciting things with my youth that would have been impossible otherwise. The tools I learned have been a great asset to my everyday life.

Leadership is not something to be taken lightly, and is not something inherently granted, but I believe this great organization can help form anyone to their true potential. Since my term and majority I have finished a bachelor's degree in Visual and Performing arts, and am currently living in Chicago trying to seize my dreams.

The big leaps in my life are all inspired from what I saw during my time with DeMolay. Seeing good young boys turn into great men, taking life in whichever direction they desired, this is what has inspired me to do the same. The old saying is that, "You get out of DeMolay, what you put in," and that is true, but I find the quote misleading. DeMolay asks nothing of you. Your presence is always appreciated. Your input is always valid. To get the most out of DeMolay, you just have to be one, and just say yes to every opportunity presented to you. They only come once, if you're lucky.

Enjoy your Conclave,

James A. Reiter

Sponsored by Golden Chapter

Hello,

I'm currently a student at Metropolitan State College of Denver and I'm majoring in Criminal Justice with a minor in Political Science. During the past eight years, I was able to achieve the position of The State Master Councilor for Colorado DeMolay. Achieving this office required strong leadership skills and a great team.

I am currently a college student, who has faced adversity and overcame many challenges. I was raised in the five-points of Denver by a single mom and was always around negative influences. However, I have been able to overcome these challenging obstacles. I am currently in my last year in college. I just got done working the 2012 presidential campaign, and now I am working in the Senator's office. It took a lot of dedication and determination to get where I am today.

I am confident that DeMolay is the reason why I am the person that I am today. I hope to share what I have learned to those who walk behind me. I'm always here for anybody who would like to talk. Thank you, and let's make the world know of us!

Sincerely,
Dominique A. Barrera
